

## Career

WBEIDC handles around Rs.500 crores worth of annual business. It is a professionally managed corporation under the Department of IT&E, Government of West Bengal. It was formed for developing Electronics and allied industries. Later it also became the Nodal Agency of Government of West Bengal to promote IT/ITeS/Electronics industries in the state and facilitate various departments of Government of West Bengal and other government undertakings in executing various projects leveraging Information Technology. Over the past three years the compounded business growth has been in double digit and is expected to grow further in the coming years.

In order to roll out the "Next Wave" of Digital Initiatives with the aid of cutting edge technologies in the State, WBEIDC is looking for dynamic, successful professionals with proven track record having exposure in both Government and private sector in various functional areas. The applicants will be provided professionally conducive environment and opportunities to excel in their area of work and contribute to the goals of WBEIDC as a whole.

**Candidates who had applied in response to previous advertisement published January 2024 are not required to apply afresh. Their applications will be considered.**
